Dedication

In appreciation of the time and effort she has spent in making this annual possible, we the staff, respectfully dedicate the 1953 BECKVILLIAN to our sponsor, Miss Avis Kinard.

In Memoriam

Kay Mangham

Superintendent's Message

Dear Students:

This 1953 issue of *THE BECKVILLIAN* depicts another year in the history of the Beckville Schools. We believe that you will agree that this book is an improvement over those which have preceded it. Thus it is with life. We should always profit from our mistakes, and ever strive to do a better job each time a task is begun.

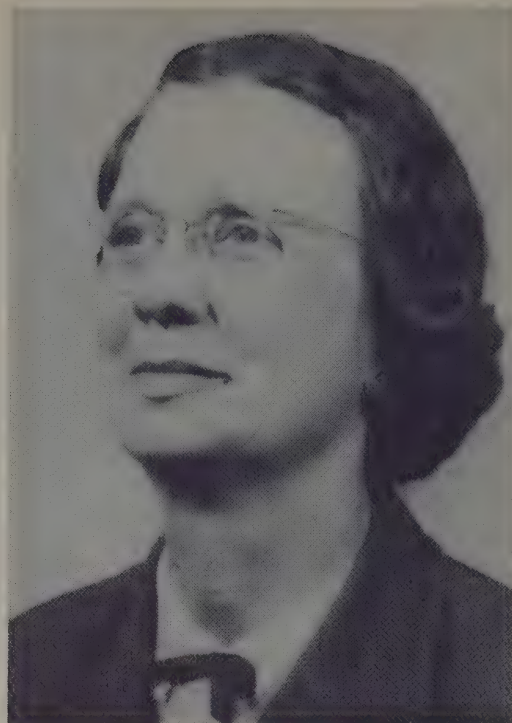

Our hope is that your appreciation of this book will become greater as you grow older, and that your memories will be fonder of the time which you spent in your school.

Our prayer is that your preparation for life has been good, and that you will not fail the trust placed in you by your parents and your teachers. May you ever strive to help keep our AMERICA free, so that it shall ever be a shining light for the people of those countries less fortunate than we.

Sincerely,

R. E. Branch

Principal's Message

Johnnie Lee Feenster

Proudly do I express my satisfaction at the year by year growth of THE BECKVILLIAN. We who had the task of launching the victory number during World War II and of naming the yearbook are especially pleased at this steady growth.

This yearbook will preserve for each student, teacher, and administrator memorable experiences. It is indeed, a worthy attainment of the school year 1952-1953 for the entire staff and sponsor.

To the Seniors, I extend my sincere wishes for your continued success. May you strive toward a richer, fuller life of service to yourselves, your families, your community, and your nation.

Sincerely,

Johnnie Lee Feenster
